## Schedule

by John & Sarita Holzmann

*"And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates."*

## Week 1—Notes

### Spelling

#### *Spelling*

Your schedule includes a blank “Spelling” line. Please use this line to record the lessons you’ve completed in whatever spelling program you’ve chosen to use.

#### *Alternative Spelling*

We used to have our own spelling program in the upper grades. It consisted primarily of this list of 500 of the most commonly misspelled words in American English. We thought, if you hadn’t purchased another program, then this list might still be of some help to you; why delete it? So here it is. Use it or ignore it at your pleasure.

Here is the way we suggest you go about using these words.

**Day 1:** Take a pretest. Read the spelling words for the week to your children. Have them write the words and see

how many they can spell correctly without seeing them first.

**Days 2 & 3:** Have your children write out each of the words three times. If any are spelled wrong on Day 1, have your children write the misspelled words ten times.

**Day 4:** Have your children incorporate each spelling word into a sentence, making sure they use the word in the proper context.

**Day 5:** Take a posttest. Read the spelling words to your children. They may either recite them orally or write them as you say them. We suggest any misspelled words be added onto the next weeks spelling words.

#### **Words**

absence, academic, accept, access, cafeteria, calendar, campaign, dangerous, deceive, ecstasy, facilities, ignorance, pamphlet, pandemonium ■
