

Time to get back to school! I'm sure your family will enjoy this second year of American History. You may find that your Instructor's Guide offers all the suggestions you need for learning—but if you wish something a little more hands-on, here are some fun and helpful resources. Feel free to choose those that are most enjoyable to your family. Have a great year!

Teaching Moments and Hands-On Activities

- Bible Reading
 - Lessons 210, 211, 215, 222: <http://children.ccm.com/NTTableOfContents.pdf>
