worshipped/worshiped	Most of us worshipped; some of us worshiped
worshipping/worshiping	Most of us were worshipping; some of us were worshiping
worshippers/worshipers	Most of us were worshippers; some of us were worshipers

***** Apparent Exceptions:** The words *gossip*, *proper*, *copy*, etc. differ from other -ip and -op words in two ways. First, each base cannot be reduced to one syllable. Secondly, because of this, the letter **p** does not double. In the word *worship*, we have a bit of disagreement; you can double or not double. Be consistent.
