! Insane Words:

sergeant ("SAH'r junt") When used as a title, it is capitalized and usually abbreviated as in Sgt. Bilko

sponge ("spunj")

ghetto ("GET toe")

Note: The letters *ge*, especially at the end of a word, form a digraph having the /j/ sound. The -ant ending is almost always pronounced "unt" in big words such as elephant, elegant, etc. The ge + ant = "junt". This is why the "junt" sound in sergeant and pageant is spelled geant.
